BIVOUAC

Beige

Bivouac is a cotton canvas weaved in the spirit of the blankets and carpets historically used in Central Europe by the nomads. For this first issue, the fabric is declined in a range of neutral colors. This tissue, which lines like a classic ottoman, can be used either for upholstery or contemporary decoration, due to its softness and fallen. We suggest you also to play the mix of colors in the form of bands or borders for curtains as covering seats.
