ASCAIN

Blanc

We wanted to complete the stripes Biarritz and Saint Jean de Luz in the Pays Basque collection, with the linen veils: Ascain and Urrugne. Ascain is an elegant stripe, woven in a "Jour de Venise". In embroidery, it means spaces woven at regular distances with small rights clusters, held together by tight points that cover their entire length. This delicate fabric in width of 140cm, is available in 2 colours, white and natural. We recommended Ascain mainly for blinds and veils.
