VELOURS DE FIACRE

Absinthe

Velours de Fiacre reminds us by its touch and its aspect, the spirit of the traditional silk velvets. As any high quality and soft velvet, this fabric can show some marks and shadows. This will be inherent from the fabric and must be understood as an element of this velvet. It will give it with the time, its charming aspect and character. Its 100% viscose pile is fixed on a coton, viscose, and polyester back which brings it a high resistance and stability. It can be used both for upholstering and decoration; makes wonderful curtains.
